

**GOVERNMENT OF INDIA
NON-CONVENTIONAL ENERGY SOURCES
LOK SABHA**

UNSTARRED QUESTION NO:4139
ANSWERED ON:10.04.2003
SAUR JAL PUMP WITH CENTRAL ASSISTANCE
KAILASH MEGHWAL

Will the Minister of NON-CONVENTIONAL ENERGY SOURCES be pleased to state:

- (a) the drives / schemes being run under `Saur Jal Pump` scheme under `Anya Ke Liya Yojnaye` being conducted by the Ministry and the formulae for granting loan, grant and other financial aid and the contribution or financial participation of State Governments in it;
- (b) the schemes being run by the Union Government or Rajasthan Government or other voluntary organizations in Rajasthan under `Saur Jal Pump` scheme during last five years starting from April 1, 1998 onwards; and
- (c) the details of the amount provided by the Union Government as loan, grant or economic aid under this scheme, year-wise, scheme-wise and agency-wise?

Answer

MINISTER OF STATE OF THE MINISTRY OF NON-CONVENTIONAL ENERGY SOURCES (SHRI M. KANNAPPAN)

(a),(b)&(c): A statement is laid on the table of the house.

Statement

Statement referred to in reply to Parts (a),(b)&(c) of the Lok Sabha Unstarred Question No. 4139 for 10.4.2003 regarding Saur Jal Pump with Central Assistance

(a): The Ministry of Non-Conventional Energy Sources is implementing a scheme for deployment of solar photovoltaic (PV) water pumping systems for agriculture and related uses. The scheme is implemented through the state nodal agencies and the Indian Renewable Energy Development Agency (IREDA). The details of financial support provided by the Ministry and soft loan available through IREDA under this scheme are given below:

S. No. Implementation Arrangement Central Financial Assistance Loan

1. Direct marketing by manufacturers/ suppliers / intermediaries (PV) array used, subject to a interest rate is provided by empanelled with IREDA maximum of Rs. 2.50 lakhs per IREDA to intermediaries and system. Funds are released by users respectively on 90% of IREDA to the concerned manufacturer/ the remaining unsubsidized price, to be repaid in 10 years, with one year moratorium. supplier / intermediary.
2. Direct procurement by state agencies Rs. 135 per watt of PV array used, Not eligible to avail loan subject to a maximum of Rs. 2.50 from IREDA lakhs per system provided the systems are procured directly by the state agency and the agency also provides some financial assistance.
3. Direct procurement by state agencies in NE States 90 % of approved ex-works cost of system
4. Community drinking water supply Rs. 110 per watt of PV array used, subject to a maximum of Rs. 2.50 lakhs per system

(b)&(c): The above mentioned scheme of the Ministry relating to PV water pumping systems was implemented in Rajasthan through IREDA under direct marketing by manufacturers / suppliers / intermediaries empanelled with IREDA during the last five years. Following are the details of funds released towards the central assistance and loan by IREDA under the programme of the Ministry to the implementing agencies for deployment of solar PV water pumping systems in Rajasthan during the last five years :

Year No of pumps Central Financial Loan by IREDA (Rs. in Lakhs)
 installed/sanctioned Assistance
 (Rs. in Lakhs)

1998-99	2	2.270	1.60
1999-2000	1	1.135	0.80
2000-01	6	6.81	4.80
2001-02	18	33.11	33.72
2002-03	15	29.7	31.32
2002-03	50 (sanctioned)	99.0	87.30
